Another superbly run public meeting! Well done to the team who made it happen for our election candidates last night, especially Dennis. Dennis puts a lot of background work into moderating meetings of this kind and last night was no exception. Thank you!

Sgt Maureen, thank you for your fun and engaging session last night. Enjoyed lots of hugs and learned a lot about fellow Rotarians. And who knew we had so many singers and speakers of other languages!

During the week we received the council's community van and added it to our fleet. Margy has bookings for it already!

Looking forward, remember the Area 12 meeting in Turangi on Tuesday night. InterPlast speakers from Australia and we have a good sized cheque to present on the night. Let RoseMary know if you are coming, we're going in the van(s).

Have a great week everybody!

A great sergeant session got us mixing and mingling. And, we got to know a bit more about our fellow members. We even found 2 tattooed ladies.

Our "new" community van being checked by the team of experts. A big thanks to Council for this generous gift to our club.

The Free Rotary Community Van

We are grateful to the local business listed for their support of our Community Van. Please support them!
