this week

The good you do comes back to you.

Rotary's new member benefits program gives Rotary members access to discounts on a variety of products and services selected with their interests in mind. Launched on 1st July 2015 "This innovative new program will allow Rotary members to connect with hundreds of businesses and service providers from around the world -- and that number is growing," said Ravindran. "These establishments will offer Rotarians discounts and concessions on the everyday business that you do. And, in many cases, not only will you benefit, but our Foundation will as well, by receiving a contribution with each transaction."

The program will include discounts on car rentals, hotels, dining, and entertainment. Discounts on more products and services from companies worldwide are expected to be added throughout the year.

"It will be another way to benefit from being a Rotarian and being part of the Rotary network," says Ravindran, whose presidential theme for 2015-16 is Be a Gift to the World.

President's Round-up

It's mid winter and as usual it's holiday time for our members. Brent has just come back from Europe, welcome home! RoseMary has just returned from a 10 day visit to Canada visiting family and Mary is going on a cruise up to Alaska, very well deserved, and Bill is going to an air show in Oshkosh Wisconsin. I consider this the best one in the world.

Our guest speaker did not arrive till 6.45pm due to pressure of work! Brent had no time to find out much about her to do the introduction but she soon got straight into it with her short history spending her early working years in the Air Force then transferring to the police force, spending some time in Timor.

On returning to New Zealand Karen spent an interesting time with the Diplomatic Protection Squad and told us about many interesting experiences. This was followed by many questions, then many members played policeman by trying on the very heavy flack jacket with all its gear! Thank you very much Karen Le Seur.

Remember this week is the A.G.M. This is important as we need to cover many things including amalgamation. Bring along your ideas. We also want to see how our new financial programme is going.

Yours in Rotary

President Chris.

Interesting fact: all the colours in the above icons are the colours of the new Rotary year logo and the official Rotary colours!
